## Columbus Day October 10, 2023

Columbus Day is the celebration of the arrival of Christopher Columbus in the Americas on October 12, 1492. Christopher Columbus was an Italian-born explorer who discovered the Americas for the Spanish King in 1492. King Ferdinand of Spain sponsored the expedition west in the hopes of sailing to India.

In August of 1492, Columbus set off into the Atlantic with three ships, the Nina, the Pinta and the Santa Maria. Two months later he would set foot on the Bahamas and establish settlements on Hispanola Island (now Haiti and the Dominican Republic). Upon his return to Spain, he spoke of gold in the New World and thus the Americas were opened up for European colonization.

In 1937, President Franklin D. Roosevelt declared October 12th every year as Columbus Day. In the US, Columbus Day is celebrated by all US states except for Hawaii, South Dakota and Alaska. Columbus Day now occurs on the second Monday in October each year. In 1971, the official holiday was moved to the second Monday in October in order to give workers in the US a long weekend. This was part of the Uniform Monday Holiday Act.

Starting in 1992 some local municipalities and 13 states have been observing a practice of eschewing Columbus Day to celebrate Indigenous Peoples' Day. The first city to do this was Berkeley, California.

### Acting Grand Knights Message

Dear Brothers,

I'm sad to report that brother Steen Sellers has resigned as Grand Knight of our council. I believe I speak for all in that we'll miss the enthusiasm and energy brother Steen brought to the council. Under his leadership, we have increased our visibility within the parish and this visibility has resulted in membership growth needed to support our growth in Faith In Action Programs.

Per protocol, we will conduct nominations and an election to fill the void left by brother Steen and any other office left vacant as a result of the election. Your attendance at the next two council meetings is especially important as we transfer leadership. It is also an important time for all of us to prayerfully consider our roles in our great council. Don't leave your leadership ability or talents on the sidelines.

Exemplification: Perhaps the single most important event on our calendar this Columbian year is the first Exemplification our council will host since 2015. Two candidates have elected the online Exemplification. Eight more await Exemplification on Monday, October 9 in the parish hall. As many as eleven candidates from other councils have chosen our Exemplification. October 9 will be a significant event in the history of our council and the candidates first impression of our brotherhood.

Fraternally,  
Brother Jim Messmer

### Deputy Grand Knight's Message:

Dear Brothers,

During this time of transition and while we await the nominations for a new Grand Knight and voting on a new Grand Knight. Then if necessary we will nominate a Deputy Grand Knight and vote on a Deputy Grand Knight. Afterwards stay tuned for a Deputy Grand Knight's article

The Editor

### District Deputy's Message

Dear Brothers,

I am re-printing the District Deputy's message regarding the Walk for Life, which is this Saturday. Please see below

Fraternally the Editor

*Dear Brothers*

*All Knights, please mark your calendar for Saturday October 7th. Our Orange County Walk for Life will occur at Christ Cathedral campus starting at 10 am behind a Eucharistic Procession led by our Bishop... & Jesus himself. This is an invitation for any Catholic. Because parking is limited We're actually asking that the Council plan a Parish Carpool. Lunch will be provided by the Knights!. That said, if you can provide your service and time, see our [ockc.net/walkforlife/](http://ockc.net/walkforlife/) website for sign up volunteers positions needed. We are asking each council consider donating \$250 to the Chapter towards providing the meals, so please consider it. We had 3000 attendees last year, and are shooting for 5000 this year. So plan ahead, like by 8:30 am for parking, heck we need Knights to even help with directing the parking!*

District Deputy 133

### Chancellor's Message

Dear Brothers,

I wanted to share some joyous news! As some of you may remember, I talked about RCIA and how it is a form of evangelization. Well I am happy to report we have one of our largest RCIA classes ever, with 25 participants signed up and attending class and the number is still growing. It's not too late to evangelize and bring a neighbor, co-worker or family member into the church.

Now I wanted to mention a subject dear to my heart, the Rosary. Brother Mike Ensley brought it to my attention that the State Deputy's message that the month of October is dedicated to praying the Holy Rosary. I have included the State Deputy's message in our newsletter on page 7. Br Mike also wanted to remind everyone that every Friday from 7-8 PM, we have a Priest or Deacon present the Eucharistic for Adoration, followed by praying the Holy Rosary followed by the Chaplet of Divine Mercy.

I am also including my guide to praying the Glorious Mysteries with scripture on pages 12-13.

JMJ,  
Brother Tracy Higuchi

### Financial Secretary's Message

Brother Knights,

God has called and gifted you for a mission. When you were baptized, you were given the presence of the Holy Spirit and "charisms," gifts of the Holy Spirit that enable you to be a channel of God's love, truth, beauty, mercy, healing and provision for others. The charisms you have been given are important clues to your God-given mission in life and Spirit-empowered tools to enable you to live that mission!

You may have read about some of these spiritual gifts in the Acts of the Apostles, or St Paul's first letter to the Corinthians. The Corinthians held particular esteem for certain charismatic gifts, such as speaking in tongues, which prompted Paul to write to them and explain that every baptized Christian received some spiritual gifts from the Holy Spirit, and no gifts are more important than others. Paul then lists some of those gifts, including healing, prophecy, interpretation of tongues, and a few others.

The Catherine of Sienna Institute is an organization devoted to formation of all Catholics, and they have materials that can help you discern your gifts from the Holy Spirit. Here is a list of the items that they consider to be charisms: Administration, Celibacy, Craftsmanship, Encouragement, Evangelism, Extraordinary Faith, Giving, Healing, Helping, Hospitality, Intercessory Prayer, Knowledge, Leadership, Mercy, Missionary, Music, Pastor, Prophecy, Service, Teaching, Voluntary Poverty, Wisdom, Writing. Maybe you recognize some of these in yourself.

How can you tell the difference between a natural skill and a charism? Gifts of the Holy Spirit will be something that you can do easily, that other people recognize you doing well, and that bring you joy. Do your friends or family say you are amazing at something? Do you find great joy in a task others find to be difficult or boring? It could be a charism. God wants you to use your gifts from the Holy Spirit to serve Him – spend some time in prayer and self-reflection to discern your gifts and follow the path God has chosen for you. Perhaps you are called to be a leader, an administrator, a teacher, a musician, or to serve others. Each of us is different, but only when we are in harmony with God's will can we find happiness.

God bless and Vivat Jesus!  
Brother Sean

### Council Potluck Joe Paulcivic

Dear Brothers

Our next Potluck is scheduled for October 26th and spouses and family are welcome to attend.

### Recycle Drive News

Dear Brothers,  
August's collection netted \$427. For September, we filled 4½ bins with bottles and 1½ bins with aluminum. Year-to-Date we've collected \$3,483. Thank you to all brothers who helped on Saturday and to those who contributed with recyclables.

Unfortunately, our bins were broken into Saturday night. Allan Company's contract carrier no longer picks up Saturday afternoon. I recovered most of the plastic and aluminum from ravines south of church property. Allen Company compensated us for what wasn't recovered. Going forward, the bins will be padlocked after the recycle event.

The next recycle drive is on October 21. The drive begins with set up at 6:45 am and concludes at Noon. Please sign up at the monthly meeting or on SignUp Genius. See you on the 21st and please wear a Knight shirt or hat and your badge. The recycle drive is an opportunity to remind parishioners who we are!

Fraternally,  
Brother Jim Messmer

### Blood Drive Update

Originally we planned for November 9th but had to change due to Hall availability

Best Regards, and Christ's Peace be with you,  
Brother Bob Bochniarz

## Notes From the Top: Field Agent's Message

Dear Brothers,

Blessed Michael McGivney founded the Knights of Columbus 141 years ago with two purposes in mind: To strengthen men in their faith and to provide for the widow and orphan if the breadwinner died or could not work. Our Order continues his mission today. That two-pronged approach to the young Catholic men of New Haven, Connecticut was important then and even though much has changed in our society since 1882, I believe that approach is important now. I am honored and blessed to be a part of continuing that mission.

While we work together to strengthen our brother Knights in their faith, I am able to work to secure the future for those who are left behind. For those who know me and the indispensable work I do for our members, you already have a good idea of how I do that work. But I'd like to take a minute to explain my approach. My approach is to help members solve problems. The most important thing I can do for you is listen: listen to what you want to accomplish, listen to what keeps you up at night, listen to the plans you have for you and your family's future. And the first step is to take stock of where a family is at the present...a snapshot of this time in your life. The Order has equipped me with a financial needs analysis platform to help you take that snapshot. We plug in the numbers and it does the calculations, taking any bias out of the process.

If your analysis shows there are gaps, we can discuss how to fill those gaps. We have a wide range of life insurance products that can be tailored to your needs if that is where the gap is. We have fixed rate annuities that are designed for retirement savings. Long-term care insurance and disability income insurance can provide peace of mind for the unexpected that life throws at us.

Stepping back and taking stock is not a difficult process and I try to make it as easy as possible. I can meet with you face to face or if you prefer, we can meet virtually. My goal is to fulfill Fr. McGivney's mission of taking care of every member and his family in this council. But I want to further his legacy and offer membership to every man eligible in the parish. His goal was to protect Catholic families...that's my goal, too.

## Lecturer's Corner: Norm Abbod

Dear Brothers,

Today is the feast of our Guardian Angels. From today's Faith@nd.edu:

Angels are celebrated in the church's liturgical year on today's feast because the church desires to celebrate God's mysterious providence in creation. In the words of Pope Emeritus Benedict XVI from his Angelus address on October 2, 2011, "the Lord is ever close and active in humanity's history and accompanies us with the unique presence of his Angels. [...] From the beginning until the hour of death, human life is surrounded by their constant protection." Angels are yet another manifestation of the ever-provident care of our endlessly generous God who did not set creation in motion and leave it to its own devices, but who seeks, each day, to draw creation back towards the Divine Love from which it came.

We Believers are surrounded by our guardian angels every day and they protect us 24/7. How many times have we noticed this?

Fraternally,  
Brother Norm

## STATE DEPUTY MESSAGE FOR OCTOBER

Worthy Brothers,

The month of October is dedicated to the Most Holy Rosary. We all know the good that comes in praying the rosary and prayin to Mother Mary. That is why when we join the Order in the exemplification, we are given a rosary and told to pray it as often a we can. The rosary is so very powerful it is a weapon to protect us, to shield us, to save us, and to bring us peace. I hav carried my Knights of Columbus rosary for over 30 years as a Knight. A Knight never leave home without his rosary.

St Teresa of Calcutta always prayed the rosary. She would always hold a rosary in her hand, even when doing something else. People would ask her why. She answered that this was her way of reminding herself that she was holding Our Lady's hand...

October, like all our months, is very busy with activities all over the state. A Rosary Rally in San Francisco, A Walk for Life i Orange Chapter, Columbus Day Parades, ID Drives in many councils and parishes, and too many other events to list. There i so much work to be done. Part of our lives as Knights is living out our faith by doing good works and inviting others to com with us. By involving our parish community, we are helping the parishioners to live out their faith also.

In a recent Sunday Gospel: Jesus shared the parable of the landowner who went out at different times of the day and hire workers for his vineyard. There is much work to be done in the vineyard of the Lord. Some workers toiled all day and some onl for an hour, but at the end of the day they all received the same pay, the same reward. We must bring more men and the families to a better relationship with the Church and God. That is part of our mission. To convert one man at a time, one famil at a time by getting them to join the Knights family we bring them to their reward, their blessing. We each should share ou Knights of Columbus story with them. Tell them why we joined the Order, why we are still Knights and what our membershi has meant to us and our family. Sunday Church Drives are great, but many men join the Order because one of us asked them one on one.

Brothers, I have a challenge for you, each Sunday when you go to Church before you leave ask someone to join the Knights. Just ask one man and his family each Sunday. Keep in mind that when someone tells you "no" they just mean not now, tr again the next time you see them at Church or at a parish or council event. Remember, someone chose you and invited you t join the Order.

There is much work to do. Keep looking for more workers for the harvest.

Vivat Jesus!

 GREG MARRACQ  
State Deputy 2023-2024

## FEAST DAYS-OCTOBER 2023

### St. Therese of Lisieux Doctor of the Church October 1, 2023

"I prefer the monotony of obscure sacrifice to all ecstasies. To pick up a pin for love can convert a soul."

These are the words of Thérèse of Lisieux, a Carmelite nun called the "Little Flower," who lived a cloistered life of obscurity in the convent of Lisieux, France. And her preference for hidden sacrifice did indeed convert souls. Few saints of God are more popular than this young nun. Her autobiography, *The Story of a Soul*, is read and loved throughout the world. Thérèse Martin entered the convent at the age of 15 and died in 1897 at the age of 24.

Life in a Carmelite convent is indeed uneventful and consists mainly of prayer and hard domestic work. But Thérèse possessed that holy insight that redeems the time, however dull that time may be. She saw in quiet suffering a redemptive suffering, suffering that was indeed her apostolate. Thérèse said she came to the Carmel convent "to save souls and pray for priests." And shortly before she died, she wrote: "I want to spend my heaven doing good on earth."

Thérèse was canonized in 1925. On October 19, 1997, Pope John Paul II proclaimed her a Doctor of the Church, the third woman to be so recognized in light of her holiness and the influence of her teaching on spirituality in the Church.

### The Holy Guardian Angels October 2, 2023

Perhaps no aspect of Catholic piety is as comforting to parents as the belief that an angel protects their little ones from dangers real and imagined. Yet guardian angels are not only for children. Their role is to represent individuals before God, to watch over them always, to aid their prayer, and to present their souls to God at death.

The concept of an angel assigned to guide and nurture each human being is a development of Catholic doctrine and piety based on Scripture but not directly drawn from it. Jesus' words in Matthew 18:10 best support the belief: "See that you do not despise one of these little ones, for I say to you that their angels in heaven always look upon the face of my heavenly Father."

Devotion to the angels began to develop with the birth of the monastic tradition. Saint Benedict gave it impetus and Saint Bernard of Clairvaux, the great 12th-century reformer, was such an eloquent spokesman for the guardian angels that angelic devotion assumed its current form in his day.

In early Christianity there was no feast for the guardian angels, just one for the archangels. But in the 15th and 16th centuries, the feast of the Guardian Angels was unofficially celebrated in Austria, Spain, and Portugal. In 1608 Pope Paul V made it a universal feast. In doing so, he helped to make us aware of the guardian angels, not just one day in October, but every day of our lives.

### St. Francis of Assisi October 4, 2023

St. Francis of Assisi is the patron saint of Italy. The popular image of St. Francis of Assisi is warped with romantic notions. Many see him as a sweet simpleton who picked flowers and talked with animals. Francis was gentle and loved God's creation, but he was not naive. Just the opposite. As a youth he went to war eagerly, patiently endured imprisonment and illnesses, embraced Lady Poverty as his bride, and gave up everything to follow Christ. The real St. Francis of Assisi was a courageous spiritual warrior.

Francis's vocation cost him dearly. Decision by decision he stripped himself of attachments so as to be more like Jesus. Once en route to a war in southern Italy, Francis heard a divine voice invite him to stop serving the servant and dedicate himself to the master. He responded by committing himself to live for God alone. In his early twenties Francis decided to become like the poor he met in Assisi's back streets and took "Lady Poverty" as his bride. Then one day when Francis was praying in the dilapidated church of St. Damian, he heard a voice from the crucifix say, "Go and repair my church." At first Francis literally worked to fix the building, but later understood that his real call was to renew people spiritually. From that day Francis devoted himself to Christ crucified. Francis's father took him to the bishop's court, demanding that his son repay the money he had used to repair St. Damian's church building. The saint submitted, but then stripped naked, returning his clothes to his father as a sign that he forsook his family and his inheritance.

Then Francis began his itinerant ministry in central Italy, attracting young followers as he went. Once in 1209 at Mass he heard the gospel about Jesus sending his disciples to preach, to heal, and to do spiritual warfare. He took it literally as a life pattern for him and his band of men (see Matthew 10:7-10). In 1210, Francis got formal approval for his community of Friars Minor from Pope Innocent III, and by 1221 he had hundreds of brothers and had established friaries all over Europe. In 1224 at his retreat on Mount Alvernia, Francis had a vision of a seraph, a great angel, nailed to a cross. As he watched, Francis himself received the stigmata. Replicas of the Savior's wounds appeared in his hands and side, acknowledging the saint's intimacy with Christ. The movement Francis launched has reverberated through the centuries, touching millions of souls. He died in 1226.

## FEAST DAYS-OCTOBER 2023

### St. Faustina Kowalska October 5, 2023

Saint Faustina's name is forever linked to the annual feast of the Divine Mercy, the Divine Mercy chaplet, and the Divine Mercy prayer recited each day at 3 p.m. by many people. Born in what is now west-central Poland, Helena Kowalska was the third of 10 children. She worked as a housekeeper in three cities before joining the Congregation of the Sisters of Our Lady of Mercy in 1925. She worked as a cook, gardener and porter in three of their houses.

In addition to carrying out her work faithfully, generously serving the needs of the sisters and the local people, Sister Faustina also had a deep interior life. This included receiving revelations from the Lord Jesus, messages that she recorded in her diary at the request of Christ and of her confessors.

At a time when some Catholics had an image of God as such a strict judge that they might be tempted to despair about the possibility of being forgiven, Jesus chose to emphasize his mercy and forgiveness for sins acknowledged and confessed. "I do not want to punish aching mankind," he once told Saint Faustina, "but I desire to heal it, pressing it to my merciful heart." The two rays emanating from Christ's heart, she said, represent the blood and water poured out after Jesus' death.

Because Sister Maria Faustina knew that the revelations she had already received did not constitute holiness itself, she wrote in her diary: "Neither graces, nor revelations, nor raptures, nor gifts granted to a soul make it perfect, but rather the intimate union of the soul with God. These gifts are merely ornaments of the soul, but constitute neither its essence nor its perfection. My sanctity and perfection consist in the close union of my will with the will of God."

Sister Maria Faustina died of tuberculosis in Krakow, Poland, on October 5, 1938. Pope John Paul II beatified her in 1993, and canonized her seven years later.

### Our Lady of the Rosary October 7, 2023

Saint Pius V established this feast in 1573. The purpose was to thank God for the victory of Christians over the Turks at Lepanto—a victory attributed to the praying of the rosary. Clement XI extended the feast to the universal Church in 1716.

The development of the rosary has a long history. First a practice developed of praying 150 Our Fathers in imitation of the 150 Psalms. Then there was a parallel practice of praying 150 Hail Marys. Soon a mystery of Jesus' life was attached to each Hail Mary. Though Mary's giving of the rosary to Saint Dominic is recognized as a legend, the development of this prayer form owes much to the followers of Saint Dominic. One of them, Alan de la Roche, was known as "the apostle of the rosary." He founded the first Confraternity of the Rosary in the 15th century. In the 16th century, the rosary was developed to its present form—with the 15 mysteries: joyful, sorrowful and glorious. In 2002, Pope John Paul II added five Mysteries of Light to this devotion

### St. Teresa of Jesus (Avila), Doctor of the Church October 15, 2023

Teresa lived in the 16th century, a time of turmoil and reform. She was strong and independent, entering the Carmelites despite strong opposition from her father. She is a person wrapped not so much in silence as in mystery. Beautiful, talented, outgoing, adaptable, affectionate, courageous, enthusiastic, she was totally human. Like Jesus, she was a mystery of paradoxes: wise, yet practical; intelligent, yet much in tune with her experience; a mystic, yet an energetic reformer; a holy woman, a womanly woman.

Teresa was a woman "for God," a woman of prayer, discipline, and compassion. Her heart belonged to God. Her ongoing conversion was an arduous lifelong struggle, involving ongoing purification and suffering. She was misunderstood, misjudged, and opposed in her efforts at reform. Yet she struggled on, courageous and faithful; she struggled with her own mediocrity, her illness, her opposition. And in the midst of all this she clung to God in life and in prayer. Her writings on prayer and contemplation are drawn from her experience: powerful, practical, and graceful. She was a woman of prayer; a woman for God.

Her writings, especially the Way of Perfection and The Interior Castle, have helped generations of believers.

In 1970, the Church gave her the title she had long held in the popular mind: Doctor of the Church. She and St. Catherine of Siena were the first women so honored..

### St. Luke, The Evangelist October 18, 2023

On October 18 we celebrate the feast day of St. Luke. There are only a few certain facts about St. Luke's life. We know him best as the author of the third gospel and of the Acts of the Apostles.

A Greek himself, he wrote the story of Jesus and the Christian community for Gentile readers. He also accompanied St. Paul on some of his journeys and shared in his sufferings. Probably a physician, Luke may have pioneered as an early member of the church at Antioch.

The saint's books reveal something about his character. Luke wrote excellent popular prose with an artist's skill at painting picture stories. Demonstrating an unusual commitment to accuracy, he appears to have fastidiously checked his facts. For example, archaeologists have confirmed many details that he reported in the Acts.

Some of Luke's main themes - prayer, the Holy Spirit, and mercy - suggest that he was a compassionate, spiritual man. He aimed his books to persuade Gentiles that the Christian story was true. So he made it more accessible to them by filing his gospel with accounts of Christ's openness and mercy.

Tradition says Luke lived a long life without marrying and that he died at age eighty-four.

## St. John Paul II, Pope October 22, 2023

“Open wide the doors to Christ,” urged John Paul II during the homily at the Mass where he was installed as pope in 1978.

Born in Wadowice, Poland, Karol Jozef Wojtyla had lost his mother, father, and older brother before his 21st birthday. Karol’s promising academic career at Krakow’s Jagiellonian University was cut short by the outbreak of World War II. While working in a quarry and a chemical factory, he enrolled in an “underground” seminary in Kraków. Ordained in 1946, he was immediately sent to Rome where he earned a doctorate in theology.

Back in Poland, a short assignment as assistant pastor in a rural parish preceded his very fruitful chaplaincy for university students. Soon Fr. Wojtyla earned a doctorate in philosophy and began teaching that subject at Poland’s University of Lublin.

Communist officials allowed Wojtyla to be appointed auxiliary bishop of Kraków in 1958, considering him a relatively harmless intellectual. They could not have been more wrong!

Bishop Wojtyla attended all four sessions of Vatican II and contributed especially to its Pastoral Constitution on the Church in the Modern World. Appointed as archbishop of Kraków in 1964, he was named a cardinal three years later.

Elected pope in October 1978, he took the name of his short-lived, immediate predecessor. Pope John Paul II was the first non-Italian pope in 455 years. In time, he made pastoral visits to 124 countries, including several with small Christian populations.

John Paul II promoted ecumenical and interfaith initiatives, especially the 1986 Day of Prayer for World Peace in Assisi. He visited Rome’s main synagogue and the Western Wall in Jerusalem; he also established diplomatic relations between the Holy See and Israel. He improved Catholic-Muslim relations, and in 2001 visited a mosque in Damascus, Syria.

The Great Jubilee of the Year 2000, a key event in John Paul’s ministry, was marked by special celebrations in Rome and elsewhere for Catholics and other Christians. Relations with the Orthodox Churches improved considerably during his papacy.

“Christ is the center of the universe and of human history” was the opening line of John Paul II’s 1979 encyclical, *Redeemer of the Human Race*. In 1995, he described himself to the United Nations General Assembly as “a witness to hope.”

His 1979 visit to Poland encouraged the growth of the Solidarity movement there and the collapse of communism in central and eastern Europe 10 years later. John Paul II began World Youth Day and traveled to several countries for those celebrations. He very much wanted to visit China and the Soviet Union, but the governments in those countries prevented that.

One of the most well-remembered photos of John Paul II’s pontificate was his one-on-one conversation in 1983, with Mehmet Ali Agca, who had attempted to assassinate him two years earlier.

In his 27 years of papal ministry, John Paul II wrote 14 encyclicals and five books, canonized 482 saints and beatified 1,338 people. In the last years of his life, he suffered from Parkinson’s disease and was forced to cut back on some of his activities.

Pope Benedict XVI beatified John Paul II in 2011, and Pope Francis canonized him in 2014. Before John Paul II’s funeral Mass in St. Peter’s Square, hundreds of thousands of people had waited patiently for a brief moment to pray before his body, which lay in state inside St. Peter’s for several days. The media coverage of his funeral was unprecedented.

Presiding at the funeral Mass, Cardinal Joseph Ratzinger—then dean of the College of Cardinals and later Pope Benedict XVI—concluded his homily by saying: “None of us can ever forget how, in that last Easter Sunday of his life, the Holy Father, marked by suffering, came once more to the window of the Apostolic Palace and one last time gave his blessing *urbi et orbi* (‘to the city and to the world’).

“We can be sure that our beloved pope is standing today at the window of the Father’s house, that sees us and blesses us. Yes, bless us, Holy Father. We entrust your dear soul to the Mother of God, your Mother, who guided you each day and who will guide you now to the glory of her Son, our Lord Jesus Christ. Amen.”

## Sts. Simon and Jude, Apostles October 28, 2023

How do you feel when you are chosen to do something important? Honored, surprised, nervous? Some of the apostles must have felt as you do.

After spending much time in prayer, Jesus decided to choose 12 men, 12 rather unlikely candidates, who would be his apostles and proclaim the Kingdom of God to all people. Simon the Zealot was one who was called. The Zealots were a Jewish group who believed that the promise of the Messiah meant a free and independent Jewish nation where they would never have to pay taxes to the Romans again. Some Zealots were also very concerned that the spiritual ideals of their religion be kept. But others in the group acted more like modern-day terrorists by raiding, killing, and inciting riots. Simon was known as “the zealot” to distinguish him from Simon Peter.

At the same time, Jesus called Jude Thaddeus, brother of James, most likely a fisherman by trade. Along with 10 other men, these two followed Jesus, lived with him, fled when he underwent his Passion, and rejoiced when he rose from the dead. At Pentecost they were filled with the Spirit and a burning desire to spread the Good News to all. Jude traveled to Mesopotamia to preach, and Simon went to Egypt. Eventually they both ended up in Persia, modern-day Iran. There they worked together evangelizing the people until they were both martyred. These two unlikely candidates for apostleship finally witnessed to the risen Lord with their lives.

Traditionally Saint Jude the Apostle is identified with the author of the Letter of Jude in the New Testament. He has also come to be known as the saint of hopeless cases.
